By Statutes 39 Elizabeth, c. 6, and 43 Elizabeth, c. 4, copies of which are annexed, authority was given to the Lord Chancellor or Lord Keeper, and to the Chancellor of the Duchy of Lancaster respectively, to appoint Commissioners from time to time to enquire into any abuses of Charitable bequests or donations and to rectify the same by decree. The Decrees of the said Commissioners might however be reviewed in the respective Courts of the several Chancellors on exception being taken thereto by any person or persons aggrieved thereby. On any such exception being filed in either Court, evidence was taken thereon and the Decree of the Commissioners was either confirmed or modified by the Court, or an exoneration therefrom was granted on behalf of the exceptant, such Confirmations or Exonerations with the antecedent proceedings being enrolled at great length.

The following List refers to the Inquisitions and Decrees of the Commissioners of Charitable Uses appointed under the Statutes above mentioned, contained in 61 Bundles or Parts, the first 60 of which consist of the Inquisitions, &c. returned into the Petty Bag Office of the High Court of Chancery, the last Bundle comprising those returned into the Chancery of the Palatinate of Lancaster.

Reference is also made under the date of the several Inquisitions to any Depositions that may have been subsequently taken with respect to Decrees to which exception was raised, and also to the Rolls of Confirmations and Exonerations of such Decrees.

The original Exceptions with Answers and Replications thereto are also preserved, comprising 22 Bundles, to which there is a manuscript Index. Inasmuch however as these, whenever the Original Decree was modified or confirmed, are enrolled in full on the Rolls of Confirmations, &c. it has not been considered necessary to include them in the present List.

The List has been prepared by Mr. Harley Rodney under the direction of Mr. Scargill-Bird, an Assistant Keeper of the Records.
